Case study

Name of Trainee:

Mr Aroon Kumar

Age-28 Years

Address: Pani Gaon.Distt.- Electrician

Mr. Aroon is unemployed and school dropout boy belongs to a poor family of backward community . His family circumstance was pitiable since the income of the household was hardly able to meet the expenses. The organization had identified his to join the training course on Electrician, He was very hesitant and expressed his apprehension whether he would be able to do justice to the efforts since she being illiterate. But he was in dire need of an employment which will earn some income for his family. Gradually with the help of trainer and fellow trainees his apprehensions were gone and he started learning the work. The various activities including Life Skill EDP instilled her confidence in the work and the dying need for augmenting income for the family infused the necessity for doing a better job in the training programme. His improvement in Carpenter has been quite appreciable and he started doing the work with **Mr Moin siddiqui contractor, Lucknow** after about three months. His illiteracy has not been found as a problem for learning the training programme rather he is self developed the knack of functional literacy. **Now his Income 15000-18000/-**
